SUMMARY

Proficient in developing dynamic web applications with a focus on React.js and integrating with backend services using Node.js. Skilled in HTML5, CSS3, Bootstrap, and SQL for creating responsive designs and managing databases. Passionate about continuously enhancing technical skills and staying updated with industry trends to deliver high-quality solutions.

SkILLS

- **Languages**: C#, HTML5, CSS3, SQL, JavaScript
- **Frameworks**: React.JS, Node.js, Bootstrap
- **IDEs**: Visual Studio, Visual Studio Code, Android Studio
- **Version Control**: Git, GitHub
- **Databases**: MySQL, ORACLE

EDUCATION

- **BS Information Technology |** Government College University, Faisalabad

    CGPA: 3.19/4 | *(2021 - Present)*

- **Fsc Pre-Engineering |** Science Spectrum College ,Multan

    Marks: **1080/1100** | (2019 - 21)

EXPERIENCE

Front-End Developer Intern | EMAK Solution   *(jul '23' - Oct '23')*

- Developed and maintained full-stack web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js) to deliver robust and scalable solutions.
- Collaborated with cross-functional teams to design and implement user-friendly interfaces and dynamic features, ensuring optimal performance and responsiveness.
- Utilized SQL for efficient database management and data retrieval, enhancing overall application functionality.
- Implemented best practices in coding and debugging, contributing to the continuous improvement of development processes.

PROJECTS

Tourism Website — (A Tourism Website)

Developed a full-stack tourism website using HTML, CSS, and PHP as part of a half-degree project.Implemented PHP to store and manage customer data in a database for future use, ensuring data integrity and accessibility.Designed a user-friendly interface to enhance user experience and facilitate seamless navigation.

E-Commerce Store [[CODE](#)]

Stack e-commerce store with a payment gateway using HTML, CSS, React, Node.js, and
 MongoDB.Implemented React for a dynamic and responsive user interface, enhancing the customer shopping experience.Utilized Node.js and MongoDB to manage backend operations and secure payment

processing, ensuring reliable data storage and transaction handling.

CERTIFICATIONS **[**CERTIFICATES **]**

- Code CRUD Competition Participation Certificate
- WordPress Course Completion Certificate By Virtual University of Pakistan
- Java OOP Quiz Certificate By ProProfs Quiz maker
- HCI Quiz Certificate By ProProfs Quiz maker .

VOLUNTEER WORk

- Information Secretary | TechInnovate Society , GCUF Chapter (2024-Present)
- Web-Development Lead | Google Development Student Club , GCUF Chapter (2023-23)
